Reunions 2024 Toolkit: Captions

Help spread the word about **#HarvardReunions** on your social media channels, class group chats, and more! To help you get started, the Harvard Alumni Association has developed some ready-to-share captions for your use. Simply copy and paste the text or personalize it to your class with a call out such as "Class of 2014!" and updating with the link to your specific class reunion page.

1. Are you ready for #HarvardReunions? No matter where life has taken us since graduation, there's always a place for us at Harvard. I hope to see you in the Yard this June for our reunion celebration! 🎉 Register today! alumni.harvard.edu/reunions

2. I'm so excited to celebrate with you and our classmates this spring. Our class volunteers have created an extraordinary program, one that includes all the well-loved traditions that come with every Harvard Reunion. Register today! alumni.harvard.edu/reunions

3. No matter where life has taken us since we last walked out Johnston Gate, every Reunion is a chance for us to bring our classmates together in one place, relive our days as students, and celebrate our Class alongside family and friends. Register here ➡️ alumni.harvard.edu/reunions

4. Ready to relive our glory days? Gather your roommates, pack your bags, and let's make some new memories! #HarvardReunions Sign up for your Harvard Reunion: alumni.harvard.edu/reunions

5. From late-night study sessions to lively debates in Annenberg Hall, our Harvard experience was full of unforgettable moments that shaped who we are. #HarvardReunions is a chance to relive these moments and reconnect again. Don't miss out on this chance to celebrate our Harvard Reunion! Register today: alumni.harvard.edu/reunions

6. Time may have passed, but memories of our Harvard days are etched in our hearts forever. Let's gather once again for #HarvardReunions to relive those precious moments, reconnect with old friends, and celebrate the friendships that have withstood the test of time. Register here: alumni.harvard.edu/reunions
