---

**APRIL 2, 2020**

The Harvard Club of Boston, the Harvard Alumni Association (HAA), and the Center for Public Interest Careers (CPIC) extend our sincere apologies for cancelling the 2020 Nonprofit Board Recruitment Fair due to the COVID-19 outbreak. Even though we are not able to host the fair this year, we are still able to provide alumni with the opportunity to reach out to local Boston area nonprofits who are looking for Harvard alumni to serve as members of their boards.

Below, you'll find brief descriptions and contact information for each organization. We hope you enjoy familiarizing yourself with the work of these organizations and reach out to them as you see fit.

*Please note that while CPIC reached out to a wide range of organizations to participate, not all participating organizations have worked with CPIC in the past. CPIC and the HAA cannot guarantee or endorse the work of specific organizations, so attendees should note that they are responsible for exercising their own due diligence if making a commitment to a particular organization.*
