ELBE RIVER CRUISE: **PRAGUE TO BERLIN**

Aboard *Elbe Princesse II*

March 31–April 11, 2020

With Professor Thomas F. Kelly

Dresden waterway at sunset

The Elbe River has long been an important delineator of east and west in Europe. Linking two of the most fascinating capitals of Europe—Prague and Berlin—it traverses a land filled with captivating treasures, including cosmopolitan cities and picturesque towns; terraced vineyards and lush orchards; fortress-crowned crags; and the spectacular gorges of “Saxon Switzerland.”

Combined with two nights at the centrally-located, elegant Four Seasons Prague, this eight-night river cruise aboard the newly built, all-inclusive *Elbe Princesse II* embraces the broad sweep of history across this region from Bohemia to the former East Germany: Prague Castle, a sprawling 9th-century castle complex that has served as the seat of power for kings of Bohemia, Holy Roman emperors, and presidents of Czechoslovakia; the Wittenberg church where Martin Luther posted his 95 Reformation Theses; historic Jewish synagogues and cemeteries; World War II memorials; Meissen’s fine porcelain workshop; the treasures of Dresden’s Green Vault and Zwinger Palace; the famous Bauhaus school of architecture; and Potsdam’s whimsical Sanssouci, summer residence of Frederick the Great, notable for the numerous temples and follies within its park.

Activity Level 3: 

A LITTLE MORE TO IT

This a moderately strenuous program that is at times physically demanding and busy. Daily excursions may involve up to one mile of walking at a time, navigating uneven terrain, and standing for up to two hours at museums or other sites. In some instances, elevators are unavailable, and stairs may not have handrails.

Its walls encompass Renaissance-era St. Vitus Cathedral, an imposing structure that incorporates a unique mix of Gothic and Baroque elements; and the Old Royal Palace, one of the oldest parts of the castle, with its elongated throne room and soaring Vladislav Hall, once the site of coronation banquets and indoor jousting tournaments. Also marvel at the glittering displays of precious objects from the late Renaissance and Rococo periods at Dresden Castle's Green Vault. Choose one of two optional excursions this afternoon: (1) Travel to nearby Schloss Wackerbarth, a historic chateau known today as Saxony's oldest sparkling wine producer for wine tasting. (2) Visit Dresden's Transparent Factory, a glass-walled facility designed by Volkswagen for the production of its top-of-the-line sedans

and expanded into a fascinating interactive exhibition space for innovative future technologies. Or enjoy free time to explore Dresden independently.

Elbe Princesse II

The delightful MS *Elbe Princesse II*, launched in 2018, is specifically designed to navigate the rapidly-changing conditions of the Elbe River using advanced engineering technologies. With stern wheel propulsion and a remarkably shallow draft, she is able to navigate low waters and traverse areas that other vessels operating in this region are not. Accommodating a maximum of just 77 passengers, a warm and intimate atmosphere is created on board. The restaurant accommodates all guests in one sitting, and the lounge is a pleasant space for relaxation with panoramic windows, a large TV, and a bar area. The modern and comfortable cabins all face outside and feature picture windows, a small desk and seating area, independent climate control, a safe, hairdryer, bathroom with full amenities, and a flat screen TV. With plenty of light in public areas and a large Sun Deck, there is ample opportunity to watch the shoreline gently glide by as you relax on your comfortable floating hotel. Complimentary wifi (intermittent) is accessible throughout the vessel.
