### **Great Journey through Europe: The Rhine River and Switzerland**

on AMADEUS SILVER III

July 17-27, 2020

with Christie McDonald

*Medieval castles and bucolic terraced vineyards capture the romance of Germany's legendary UNESCO World Heritage-designated Middle Rhine Valley.*

**This extraordinary 11-day “Grand Tour” of Europe** features an incredible combination of river, rail, lake, and mountain travel including five nights aboard the deluxe AMADEUS SILVER III. Journey through the western heart of the Continent through the Netherlands, Germany, France, and Switzerland, cruising the fabled Rhine River. Specially arranged guided excursions feature five great UNESCO World Heritage sites—explore Amsterdam’s storybook canals, visit Cologne’s Gothic cathedral, cruise through the heart of the Middle Rhine Valley, tour the Alsatian city of Strasbourg and walk through Bern’s Old Town. Also visit Germany’s medieval Rudesheim and 13th-century Heidelberg Castle. Spend two nights each in Zermatt and Lucerne, Switzerland. Ride aboard three legendary railways—the Gornergrat Bahn, the Glacier Express from Zermatt to Andermatt and the Pilatus Railway—and enjoy a scenic cruise on Lake Lucerne. This is the program of a lifetime at an exceptional value! Complement your journey with the two-night Amsterdam Pre-Program Option.

**Activity Level 3:** 

#### **A LITTLE MORE TO IT**

Many of the cities and towns being visited were founded centuries ago, and the terrain is rugged. Therefore, a fair amount of walking along narrow cobblestone streets, stone floors or uneven and/or slippery terrain and climbing several flights of stairs (some without railings) is to be expected. Walking excursions often cover distances of at least one mile/1.6 km and are approximately three hours in length.

Please note: Mount Pilatus (6,995 ft./2132 m), the Gornergrat Bahn (10,275 ft./3132 m), and the surrounding Alps are located at high altitudes. The Gornergrat is a day excursion, and participants will have the option of getting off the train at various altitudes and returning to the hotel at their leisure. Participants with heart or lung conditions may want to consult their physician before departure. To minimize the effects of the higher elevation, avoid cigarettes, alcohol, and heavy foods; drink plenty of water; and get plenty of rest.

## Study Leaders

**Christie McDonald** is the Smith Professor of French Language and Literature in the Department of Romance Languages

and Literatures and professor of comparative literature at Harvard University. From 2000-2006, she served as Chair of the Department of Romance Languages and Literatures. She and her husband, Michael Rosengarten, are faculty deans of Mather House at Harvard.

Born and raised in New York City, McDonald’s love for France and the French language began when she first traveled to the country when she was 16 years old. She studied abroad for a year at the Université de Paris before she graduated from Mount Holyoke College in 1964. She later earned her Ph.D. from Yale University in 1969.

A literary historian, as well as cultural critic and theorist, McDonald has worked in her research and teaching on 18<sup>th</sup> and 19<sup>th</sup> to 21<sup>st</sup>-century French thought and literature in a comparative context. She has also published in the areas of literature and philosophy, anthropology, feminist theory, and the arts (music and painting).

Visit medieval Heidelberg Castle overlooking 18th-century Alte Brücke and Heidelberg's Old Town, where Mark Twain once lived.

## Schedule by Day

FRIDAY, JULY 17 AND  
SATURDAY, JULY 18

### U.S. / Amsterdam, the Netherlands

Depart the U.S. for Amsterdam. On arrival, enjoy a private cruise along the city's UNESCO World Heritage-designated canals, lined with distinctly Dutch 16th- and 17th-century canal houses. Then, embark the deluxe AMADEUS SILVER III.

Join your travel companions for the Captain's Welcome Reception and dinner on July 18. (R,D)

SUNDAY, JULY 19

### Cologne, Germany

Arrive in one of Germany's most ancient cities, founded as a Roman military outpost in 38 B.C. Since Charlemagne, Cologne has flourished as the Rhineland's foremost mercantile and religious center, and it is the birthplace of the world-famous original Eau de Cologne perfume.

Explore the *Altstadt* (Old Town) and visit the UNESCO World Heritage-designated *Kölner Dom* (Cologne Cathedral). The nation's finest example of High Gothic architecture, the *Kölner Dom* took six centuries to complete. Admire the cathedral's lauded treasures, including medieval stained-glass windows, the bejeweled sarcophagus of the Shrine of Three Kings, the monumental, 10th-century Gero Crucifix, and richly carved 14th-century choir stalls. (B,L,D)

MONDAY, JULY 20

### Koblenz / Rudesheim

Dock in historic Koblenz, strategically positioned at the confluence of the Rhine and Moselle Rivers, for a walking tour.

Here, Germany's Roman past dates to 9 B.C., during Augustus Caesar's reign. From the landmark *Deutsches Eck* (German Corner), view the 19th-century fortress of Ehrenbreitstein, the former residence of the powerful Archbishop-Electors of Trier, across the Rhine River, and see the twin-towered Basilica of St. Castor, built between the ninth and 13th centuries, showcasing the Rhineland's distinctive Romanesque architecture.

Cruise through the dramatic UNESCO World Heritage-designated Middle Rhine Valley, where with nearly each bend in the river, terraced vineyards rise on steep slopes, medieval castles crown remote crags and tranquil villages emerge along peaceful banks. See the famous Lorelei Rock—legend holds that a beautiful siren once lured sailors here with her enchanting song.

Stop in Rudesheim, the medieval heart of Germany's wine country. Enjoy a tour aboard the whimsical Winzerexpress mini-train, while traveling through bucolic vineyards en route to a private wine tasting, which highlights local Rieslings, including the crisp Klosterberg. Reboard the ship and cruise through pastoral Rheingau, Germany's most famous wine-growing region. (B,L,D)

TUESDAY, JULY 21

### Mannheim to Heidelberg

This morning, transfer from Mannheim to Heidelberg, where luminaries such as Goethe and Schumann once came to experience the intellectual atmosphere of Heidelberg University, the oldest in Germany, founded in 1386.

To many on the historic "Grand Tour" of Europe, Heidelberg epitomized Germany, nestled in the densely wooded valley of the Neckar River and alive with the spirit of Romanticism.

On the walking tour, see the preservation of Heidelberg's authentic Renaissance-Baroque character, manifested in sites such as the eight remaining arches of its famous *Alte Brücke* (Old Bridge). Visit the stately ruins of Heidelberg Castle, the 13th-century embodiment of the city's medieval past perched above the river. (B,L,D)

WEDNESDAY, JULY 22

### Strasbourg, France

The lively Alsatian city of Strasbourg fuses Old and New Europe with French and German influence. In the UNESCO World Heritage-designated Old City, cobblestone lanes weave around medieval houses, and the 13th-century Ponts Couverts, bridges flanked by watchtowers, span idyllic canals.

In Strasbourg, John Calvin first established a reformed parish; view remnants of the Reformation in St-Pierre-le-Vieux, a simultaneum used by Protestant and Catholic parishioners. See the Gothic Cathedral of Notre Dame, whose graceful sandstone exterior, according to the poet Goethe, rises "like a most sublime, wide-arching tree of God."

The Petite France district evokes a fairy tale, with its historic miller, tanner and fishermen's quarter of half-timbered houses along the Ill River. Nearby, member nations of the European Union engage in the daily discourse of the European Parliament. Enjoy a Reception and the Captain's Farewell Dinner this evening onboard the ship. (B,L,R,D)

# NETHERLANDS

Walk across Strasbourg's Ponts Couverts in the enchanting Petite France district on the Grande Île (Big Island).

Walk across the Lucerne Chapel Bridge and enjoy the view of the city.

THURSDAY, JULY 23

## Basel, Switzerland / Bern / Zermatt

Disembark the ship in Basel. Transfer across the bucolic Swiss countryside to Switzerland's capital, Bern. Tour its beautifully preserved Old Town, a UNESCO World Heritage site framed by its signature 15th-century arcades and the Aare River. Enjoy lunch in an 18th-century High Baroque-style granary, today a traditional Bernese restaurant.

Journey from the Bernese Oberland to admire the UNESCO World Heritage-designated Jungfrau, an imposing summit known as the "Top of Europe." En route to Zermatt, admire the soaring Alps, Switzerland's stunning archetype of snowcapped peaks, crystal clear glacial lakes, and densely wooded forests. Upon arrival in Zermatt, check into the deluxe HOTEL SCHEWEIZERHOF ZERMATT, located beneath the dramatic pinnacle of the iconic Matterhorn. (B,L)

FRIDAY, JULY 24

## Zermatt

Ascend through pine and larch forests, crossing meadows ablaze with wildflowers and passing distant peaks blanketed by snow, aboard

the highest cog railway in Europe, the Gornergrat Bahn. Sweeping vistas of breathtaking Alpine scenery unfold from atop the 10,100-foot summit, where the serrated profiles of the Matterhorn, the Liskamm and the Dufourspitze mountains and the vast Gorner Glacier extend beyond your periphery. Return to Zermatt at your leisure; enjoy stops including Riffelberg, featuring a panoramic view of the Monte Rosa and the Matterhorn. (B)

SATURDAY, JULY 25

## Zermatt / Andermatt / Lucerne

Wind through the heart of the Alps to Andermatt aboard the fabled Glacier Express, "the world's slowest express train," and delight in the surrounding natural beauty through panoramic windows along this ingenious rail route.

Enjoy lunch in Andermatt before continuing to the five-star BÜRGENSTOCK RESORT'S WALDHOTEL. (B,L)

SUNDAY, JULY 26

## Lucerne

The rugged grandeur of Mounts Pilatus and Rigi reflected in a deep blue lake make Lucerne a long-favored travel destination. Begin your walking tour amid

historic burghers' houses in the *Weinmarkt* (wine market); then, see the *Hofkirche* (Court Church), an exceptional example of German Renaissance architecture, and the Lion Monument, dedicated to the Swiss Guards who gave their lives defending Louis XVI during the French Revolution. Walk underneath tableaux of Swiss history and mythology painted on the arched roof of the 14th-century wooden Chapel Bridge, Lucerne's most famous landmark, spanning the Reuss River.

Reach Mount Pilatus's 7,000-foot summit by panoramic gondola for a 360-degree vista of central Switzerland's unforgettable topography and lunch in a summit restaurant. Board the Pilatus Railway, the world's steepest cogwheel railway, and descend nearly 5,400 feet in less than three miles to Lake Lucerne. Cruise along its placid waters—the glistening namesake of Beethoven's "Moonlight Sonata," surrounded by the magnificent Swiss Alps.

Enjoy the Farewell Reception this evening in the hotel. (B,L,R)

MONDAY, JULY 27
