Expedition to Antarctica

ON LE BORÉAL

January 4 - 17, 2023

HARVARD

Alumni Travels

Up-close viewing of breaching humpback whales.

Join us for this spectacular 14-day journey featuring a nine-night, exclusively chartered cruise to Antarctica, Earth's last frontier. Experience the natural beauty of the White Continent—fantastically shaped icebergs, turquoise glaciers, bustling penguin rookeries, and breaching whales. Accompanied by the ship's expert team of naturalists, board Zodiac watercraft for excursions ashore to observe Antarctica's abundant wildlife. Spend two nights in Buenos Aires, including a tour of Argentina's vibrant capital city.

The safety and well-being of our travelers remains our highest priority. Cruise lines and some other providers of services (as well as, potentially, some countries) require all passengers traveling on our programs to present confirmation of a full COVID-19 vaccination, and, as well, passengers may have to produce evidence of a recent negative COVID test. All our staff are committed to adhering to all health and safety protocols from the start of your trip to the end as directed by the United States Centers for Disease Control and Prevention, overseas health officials as well as those protocols mandated by your cruise company (if applicable) and other suppliers of services. Detailed protocol information tailored to your travel program will be mailed to you along with additional pre-departure information.

Activity Level 4:

This is an expedition-type cruise involving shore landings by rubber Zodiac boats. Participants must be able to get in and out of the Zodiacs with minimal assistance. While ashore in Antarctica, the excursions involve a fair amount of walking over rocky, uneven, and sometimes steep terrain. Please be aware that crossing the Drake Passage can be rough and unpredictable.

Because of the remoteness of the destination and an absence of shore-side facilities for medical treatment, each participant must have a health statement signed by a physician verifying they are in very good physical condition in order to participate.

Study Leaders

Scott Edwards is Alexander Agassiz Professor of Zoology and Curator of Ornithology in the Museum of

Comparative Zoology at Harvard University. He came to Harvard in December 2003 after serving as a faculty in the Zoology Department and the Burke Museum at the University of Washington, Seattle. His research focuses on aspects of avian biology including evolutionary history and biogeography, disease ecology, population genetics and comparative genomics. He has conducted fieldwork in phylogeography in Australia and conducted some of the first phylogeographic analyses based on DNA sequencing. In the last 10 years Dr. Edwards has helped develop novel methods for estimating phylogenetic trees from multilocus DNA sequence data. His recent work uses comparative genomics in diverse contexts to study macroevolutionary patterns in birds, including the origin of feathers and the evolution of flightlessness.

Terms & Conditions

AA&D Community Expectations: Harvard University Alumni Affairs & Development (AA&D) programs and volunteer opportunities respect the rights, differences, and dignity of others. Those taking part in AA&D activities, including travel programs developed by Harvard Alumni Travels for the Harvard Alumni Association (HAA), are expected to demonstrate honesty, integrity, and civility and are accountable for their conduct with University alumni, students, parents, volunteers, employees, and invitees.

AA&D reserves the right to suspend services to—and to exclude from participation in AA&D programs—any person whose inappropriate behavior adversely affects the safety, well-being, and inclusion of community members.

CONTRACT: HAA does not itself conduct tours, but instead partners with several different tour operators in order to offer a broad range of travel programs. Tour participants contract directly with tour operators, although HAA is available to act as a liaison with tour operators should participants have any questions or concerns. HAA is not responsible for performing any of the tour operator’s obligations.

PROGRAM COST INCLUSIONS: Enrichment program of lectures and discussions; two nights hotel accommodations at the Intercontinental Buenos Aires; nine nights aboard *Le BOREAL*; welcome reception and farewell dinner; all meals throughout cruise; complimentary alcoholic and non-alcoholic beverages throughout cruise; internet access while on board (conditions permitting); taxes; shore excursions; onboard team of naturalists; souvenir polar-grade red parka; complimentary boot rental; transfers and luggage handling at airport/pier/hotel for guests whose arrival(s) and departure(s) coincide with the scheduled group transfers; all excursions and visits with experienced local guides outlined in itinerary; all gratuities to ship personnel, restaurant staff, local guides, drivers, and tour manager throughout.

PROGRAM COST EXCLUSIONS: International airfare from the U.S.; round-trip airfare Buenos Aires/Ushuaia; baggage charges on aircraft; local departure air taxes; airport facility taxes and federal inspection fees not listed in the “Inclusions” section; transfers and baggage handling to/from airport on day(s) of arrival and/or departure if you are arriving earlier or later than scheduled group transfer(s); passport fees; visas and fees for obtaining visas; personal expenses such as laundry, telephone calls, and internet access; accident/sickness, trip cancellation and baggage insurance; gratuities to hotel personnel, optional sightseeing excursions; meals and beverages not listed in the “Inclusions” section; and all other services not specifically mentioned in the “Inclusions” section. In addition, the cost of any Covid-19 Test for re-entry into the United States of America and any time necessary during the program is the responsibility of the individual traveler.

PROGRAM SIZE: *Le BOREAL* can accommodate up to 200 passengers for this voyage. Harvard passengers will be joined by guests from the co-sponsoring institutions from the Dartmouth, Florida, Fordham, Kansas, Minnesota, National Trust, Notre Dame, Ohio State, South Carolina, University of Virginia, as well as potential independent travelers. HAA reserves the right to cancel the program, levy a small group surcharge, and/or send the program without a Harvard study leader. HAA retains the right to add staff members and/or invited guests to any group departures regardless of the stated group-size limitation.

RESERVATIONS, DEPOSITS, & FINAL PAYMENT: To reserve a space on this program, a (non-refundable) \$1,000 deposit is required per person. Reservations are acknowledged in order

of receipt until the maximum enrollment has been reached. Final payment is due October 1, 2022 (95 days before departure), payable by check. Participants will receive an invoice directly from Gohagan & Company for all subsequent payments after the initial deposit.

PARTICIPANT CANCELLATIONS & REFUNDS: Notification of cancellation must be received in writing by HAA from the participant. Deposits are fully refundable through 96 days prior to departure. Cancellations received between 95 and 61 days prior to departure will be assessed a cancellation fee of 50% of the trip cost; with the remaining 50% issued as a trip credit, usable on a future Gohagan & Company trip which commences on or before December 31, 2023. Cancellations received between 60 and 45 days prior to departure will be assessed a cancellation fee of 75% of the trip cost, with the remaining 25% issued as a trip credit. Cancellations received 44 days or less prior to departure will be assessed a cancellation fee of 100% of the trip cost. In addition, for bookings any applicable airline cancellation fees, optional excursions cancellation fees and administrative fees may apply.

TRIP INSURANCE: Neither HAA nor the tour operator, including all representatives, employees, and agents, will take responsibility for any costs or losses incurred or suffered by a participant, or a participant’s dependents or traveling companions before, during or after the tour. This includes, without limitation, cancellation or curtailment of the tour, emergency evacuation expenses, medical expenses, repatriation expenses, or damage/theft/loss of personal baggage, money, and goods. As noted below, neither HAA nor its tour operators shall be liable for any airline cancellation penalty incurred by the purchase of a non-refundable airline ticket or for any other expenses incurred by tour participants in preparing for the tour.

HAA highly recommends the purchase of trip insurance to cover unforeseen trip interruptions, cancellations, lost baggage, and emergency medical assistance and evacuation. Participants may purchase trip insurance through any provider. HAA will provide information from one provider, Redpoint Resolutions, upon confirmation, which will detail available options. If a participant purchases a trip insurance policy from Redpoint Resolutions within a 14-day window, then the pre-existing medical conditions exclusion will be waived, and the participant will be eligible to purchase the “Cancel for Any Reason” upgrade. The 14-day window begins on the first day the participant’s trip deposits become non-refundable. For participants who utilize a trip credit to book the trip, the 14-day window starts the first day the participant is subject to financial penalty for cancellation, including full or partial loss of the trip credit. An insurance policy, when issued, shall constitute a contract only between the participant and the insurance provider. HAA will not intervene in any transactional issues or claim disputes between the participant and the insurance provider.

AIR ARRANGEMENTS: International airfare is not included in the cost of the program. The tour operator can assist you with your air arrangements. Neither the Harvard Alumni Association nor the tour operator accepts the liability for any airline cancellation penalty incurred by the purchase of a non-refundable airline ticket. The air ticket when issued shall constitute the sole contract between the passenger and the airline concerned. Airfare is subject to change and availability and is non-refundable. Your airline ticket constitutes a contract between you and the airline, even if purchased through Operator.

WHAT TO EXPECT / PHYSICAL HEALTH: Due to the prevalence of SARS-CoV-2 (COVID-19), participants should anticipate rules and restrictions to be enforced at airports, on flights, and at country entry points, as well as protocols in place during the program to reduce the risk of COVID-19 transmission. Updates will be provided closer to departure. All participants must be in overall good health to participate

in a HAA trip. All programs require physical independence and mobility: participants must be able to embark or disembark all conveyances used on the program alone or with minimal assistance from a traveling companion and must be able to climb stairs and step over raised thresholds without assistance. Participants requiring assistance must travel with a companion who will be responsible for handling any required equipment. Any physical or mental health condition that may require special medical attention or physical assistance must be disclosed in writing prior to booking so that HAA and the tour operator may evaluate whether participation is feasible. All participants should consult with their doctor about whether they can meet the physical requirements of their trip and must complete and return any medical forms required by the tour operator. Participants with dietary restrictions also must make these known to the tour operator well before departure, otherwise the tour operator may not be able to accommodate them.

PREPARING FOR THE TOUR: Participants will be provided with comprehensive pre-departure travel information, including specific suggestions for packing.

CHANGES IN ITINERARY, PROGRAM, STAFFING & COSTS: The itinerary is subject to change at the discretion of HAA and the tour operator. HAA reserves the right to change program dates, staff (including study leader), itineraries, or accommodations as conditions warrant. HAA further reserves the right to cancel programs, levy a small group surcharge, send a program without a study leader and/or withdraw HAA sponsorship from a program. Please note that all participants are bound to the cancellation fee schedule and other terms and conditions of the program regardless of whether HAA takes any of these actions. Participants making deviations from the scheduled itinerary do so at their own expense. All prices quoted are based on prevailing fuel prices, airfares, and currency exchange rates in effect as of the date of this publication and are subject to change.

FAILURE TO OPERATE THE TOUR OR CANCELLATION OF THE TOUR BY THE TOUR OPERATOR: If the tour operator fails to operate the tour or cancels the tour, except as a direct result of adverse weather conditions, strikes, local laws, hostilities, wars, terrorist acts, significant health concerns (such as epidemics or pandemics requiring significant travel disruptions), or other such causes beyond HAA and the tour operator's reasonable control (Force Majeure Events), then the tour operator shall refund all monies received from tour participants. If the tour operator's failure to operate the tour or cancellation of the tour is a direct result of a Force Majeure Event, then the tour operator may provide tour participants a refund consisting, in whole or in part, of credit toward future travel. Tours also shall be cancelled if the U. S. State Department, another U.S. government agency, or a relevant local government agency issues a statement within sixty (60) days of tour departure to the effect that American citizens or others should not travel except for essential reasons to any of the destinations on the itinerary for that tour. In such case, the tour operator will provide an alternate tour with a revised or substitute itinerary and may provide tour participants who choose not to travel on the alternate itinerary a refund consisting, in whole or in part, of credit toward future travel.

CURTALMENT OF THE TOUR BY THE TOUR OPERATOR: If a tour is curtailed after it has begun, either as a direct result of a Force Majeure Event, or because the U. S. State Department, another U.S. government agency, or a relevant local government agency has issued a statement to the effect that American citizens or others should not travel except for essential reasons to the remaining destinations on the itinerary for that tour, then the tour operator will take immediate steps to end the tour early and assist tour participants with travel arrangements back to their homes or other final destinations. In such a case, the tour operator may provide tour participants a refund for the number of missed days on the original tour consisting, in whole or in part, of credit toward future travel. The calculation for any such refund shall take into account any non-recoverable prepayments, and any additional expenses incurred by the tour operator to wind up the tour early.

RESPONSIBILITY: The tour operator, its owners, and employees act only as agents for the various independent suppliers and contractors providing transportation, hotel accommodations, restaurants, and other services connected with this tour. Such travel, accommodations, and services are subject to the terms and conditions under which they are offered or provided, and HAA and the tour operator, along with their respective employees, agents, representatives, and assigns, accept no liability therefor. Neither HAA nor the tour operator assumes liability for any injury, damage, loss, accident, delay, or other irregularity which may be caused by the defect of any aircraft or vehicle or the negligence or default of any company or person engaged in carrying out or performing any of the services involved. Nor will HAA and the

tour operator accept responsibility for losses, injury, damages, or expenses of any kind due to Force Majeure Events, other than as provided above. All services and accommodations are subject to the laws of the country in which they are provided. HAA and the tour operator reserve the right to make changes in the published itinerary whenever, in their sole judgment, they deem it necessary for the comfort, convenience, or safety of the tour participants. HAA and the tour operator may, in their sole judgment, decline to accept or retain any person as a tour participant. Baggage and personal effects are always the sole responsibility of their owners. The price of the program is given in good faith based on current tariffs and rates and is subject to change. Any increases in tariffs, exchange rates, or fuel prices will be passed onto participants. As part of the consideration and right to participate in a tour, each participant must sign this document and may be asked to sign a separate liability waiver and release form by the tour operator.

PERSONAL INFORMATION: HAA and the tour operator will not share participants' personal information with third parties or make it publicly available except as follows: participants' names, degree(s), home city, and email addresses may be included in the tour participant list that is distributed to tour staff and participants prior to departure; and relevant information about participants is shared with those contracted to provide tour services in the destination. Tour operators and their agents are prohibited from sharing or selling this information to other parties. Participants may opt out of sharing their email addresses with others on the tour participant list.

APPEARING IN PHOTOS: Photos from Harvard trips may be posted on photo-sharing web sites or on socialnetworking sites. Your likeness may appear in some photos or videos, posted either by HAA or by other travelers, and these materials may be circulated worldwide. Trip photos also may be selected to appear in future Harvard Alumni Travels promotions; in such cases, HAA will attempt to notify the traveler in advance, but no compensation is available for appearing in a trip photo used for promotional purposes.

DISCLAIMER: Every reasonable effort has been made to ensure the accuracy of the information presented in this document. HAA is not responsible for errors in or damages resulting from the use of the information contained herein. Information contained in this document is subject to change.

ASSUMPTION OF RISK: Tour participants understand and agree that participation in the tour involves risks that include, without limitation, risks involved in: travel; political, legal, medical, social, economic, and weather conditions; standards of design, safety, and maintenance of buildings, public places, and conveyances that may differ from those to which they are accustomed; and health and safety standards that may differ from those to which they are accustomed. Without limiting the foregoing, tour participants understand and agree that there are risks associated with the possibility of an epidemic or pandemic, the trajectory of which may be unpredictable, and that as a result of such an epidemic or pandemic, local and national governments may enact border, travel, and stay-at home restrictions, and health care systems may become overwhelmed. Tour participants recognize that they may be subjected to potential risks, illnesses, injuries, and even death and confirm that they have made their own investigation of these risks, understand them, and assume them knowingly and willingly. Knowing the risks described herein, tour participants agree, on behalf of their family, heirs, and personal representative(s), to assume all risks and responsibilities surrounding their participation in the tour.

RELEASE AND INDEMNIFICATION: By signing below (or by checking the respective box on the on-line registration form), I certify that I am age 18 or older and that I have carefully read and freely signed these Travel Terms and Conditions on my own behalf and on behalf of all members of my party. To the maximum extent permitted by law, I release, hold harmless and agree to indemnify Harvard, and its officers, governing board members, faculty, staff, representatives, employees and agents, from and against any present or future claims, losses, liabilities, costs and expenses for injury to person or property, or for any other damage, which I may suffer, or for which I may be liable to any other person, related to my participation in the tour resulting from any cause, including but not limited to negligence on my part or on the part of any of the released parties.

I understand and agree that no oral or written representations can or will alter the contents of this document.
