Timeless Islands of the Mediterranean

Aboard the luxurious *Sea Cloud II*, sail from Sicily to Mediterranean islands awash with natural beauty and treasures of antiquity: Sardinia; the lush French territory of Corsica, and the Italian island of Elba. In Sicily, enjoy an inside look at Segesta’s extraordinarily well-preserved Greek temple, built in the 5th century B.C. After a day at sea, call in Sardinia, where you will delight in exclusive tours of Cagliari’s 13th-century Romanesque cathedral and the mosaic-adorned Roman baths of ancient Nora. Sail to the medieval Catalan town of Alghero, and discover nearby domed stone fortresses called *nuraghi* left behind by Sardinia’s Bronze Age rulers.

In French Corsica, where Napoleon was born, explore the 9th-century citadel of Bonifacio, which stands at cloud level atop a limestone promontory. On Elba, go behind the scenes of Napoleon’s lavish residence, Villa San Martino, where he spent his exile, and enjoy a private tour of an 18th-century country wine farm. Sail to Viareggio on the Italian mainland, and choose between two enriching excursions in Tuscany. You may roam the fortified medieval town of Lucca with an expert or delight in a special exploration of Pietrasanta, a hidden gem for contemporary sculpture and home to Michelangelo in the 15th century. Stop in the picturesque fishing village of Portofino before disembarking in Genoa. An optional prelude in Palermo is available for an immersion in its UNESCO-listed Arab-Norman architecture.

Travel in the company of members from The Metropolitan Museum of Art, The National Trust For Historic Preservation, and the alumni associations of the University of Chicago and the University of Notre Dame.

Activity Level 3:

A LITTLE MORE TO IT

This is an active program that involves extensive walking and standing during visits to museums and historic sites. Please note that *Sea Cloud II* does not have an elevator. At certain ports of call, *Sea Cloud II* may not be able to dock at a pier for disembarkation. In these cases, a tender service, and/or Zodiac inflatable boat, will be employed as a transfer from *Sea Cloud II* to shore. *Sea Cloud II* staff will be there to assist you getting in and out of the tenders/Zodiacs. Temperatures should range from the mid-50s to low 70s °F. As rain showers are not uncommon in October, we suggest that you bring a lined raincoat and a folding umbrella. We also recommend you pack a hat, sunblock, and insect repellent. Casual dress is appropriate most of the time, and the emphasis is on layered clothing. Comfortable walking shoes are essential! For welcome and farewell dinners, jacket and tie is customary for gentlemen, with comparable evening attire for ladies. Smart casual clothing is suggested for other dinners aboard *Sea Cloud II*.

Continue along the coast to Tenuta La Chiusa, an 18th-century country wine farm, beautifully nestled in a vineyard estate surrounded by olive trees and overlooking the ocean. Enjoy a private look at the estate's historical cellar, built in 1700, to learn how the wine is handled and produced. In the garden facing the sea, enjoy a delicious sampling of the local product. Terms & Conditions

AA&D Community Expectations: Harvard University Alumni Affairs & Development (AA&D) programs and volunteer opportunities respect the rights, differences, and dignity of others. Those taking part in AA&D activities, including travel programs developed by Harvard Alumni Travels for the Harvard Alumni Association ("HAA"), are expected to demonstrate honesty, integrity, and civility and are accountable for their conduct with University alumni, students, parents, volunteers, employees, and invitees.

AA&D reserves the right to suspend services to—and to exclude from participation in AA&D programs—any person whose inappropriate behavior adversely affects the safety, well-being, and inclusion of community members.

Contract: Harvard Alumni Association does not itself conduct tours, but instead partners with several different tour operators to offer a broad range of travel programs. Tour participants contract directly with tour operators, although HAA is available to act as a liaison with tour operators should participants have any questions or concerns. HAA is not responsible for performing any of the tour operator's obligations. The tour operator for this program is Arrangements Abroad, based in New York, NY.

Program Cost Inclusions: Nine nights cabin accommodations aboard *Sea Cloud II* as per itinerary; Meals as indicated in the itinerary (B=Breakfast, L=Lunch, R=Reception, D=Dinner); Bottled water, soft drinks, juices, and coffee/tea with all meals; thoughtfully selected wine and beers at lunches and dinners; complimentary open bar throughout the cruise (including all standard spirits); Airport/pier/airport group transfers for all participants on suggested flights; Enrichment program of lectures and special events; Escorted sightseeing by private motorcoach; Entrance fees for included visits; Customary shipboard gratuities; enrichment program of lectures and talks; escorted sightseeing by private motorcoach; entrance fees for included visits; customary taxes, service, and portage charges; gratuities to local guides and drivers.

Program Cost Exclusions: International airfare; passport/visa fees; meals not specified; alcoholic beverages other than noted in inclusions; personal items and expenses (ex: laundry and satellite communication); airport transfers other than for those on suggested flights; excess baggage; trip insurance; optional Palermo prelude; any other items not specifically mentioned as included.

Program Size: *Sea Cloud II* can accommodate up to 94 passengers for this voyage. Harvard passengers will be joined by guests from the co-sponsoring institutions of The Metropolitan Museum of Art, The National Trust for Historic Preservation, as well as the alumni associations of University of Notre Dame and University of Chicago, and potential independent travelers.

HAA reserves the right to cancel the program, levy a small group surcharge, and/or send the program without a Harvard study leader. HAA retains the right to add staff members and/or invited guests to any group departures regardless of the stated group-size limitation.

Reservations, Deposits & Final Payment: To reserve a space on this program, a \$1,000 deposit is required per person. Reservations are acknowledged in order of receipt until the maximum enrollment has been reached. Final payment is due June 10, 2022 (120 days before departure), payable by cash, check (payable to "Arrangements Abroad") wire transfer, ACH, debit card, or American Express credit card. Participants will receive an invoice directly from Arrangements abroad for all subsequent payments after the initial deposit.

Participant Cancellations & Refunds: **Notification of cancellation must be received in writing by the tour operator with a copy to HAA from the participant.** No deposit refunds will be given for cancellations received after June 10, 2022. Subsequent payments are subject to the cancellation fees as follows: 120 to 91 days prior to departure: 20% of the Program cost is non-refundable. 90 to 61 days before departure: 50% of the Program cost is non-refundable. 60 days or less before departure: 100% of the Program cost is non-refundable. No refunds will be given for cancellations on or after the day of departure, or for unused portions of the tour, for any reason.

Trip Insurance: Neither HAA nor the tour operator, including all representatives, employees, and agents, will take responsibility for any costs or losses incurred or suffered by a participant, or a participant's dependents or traveling companions before, during or after the tour. This includes, without limitation, cancellation or curtailment of the tour, emergency evacuation expenses, medical expenses, repatriation expenses, or damage/theft/loss of personal baggage, money, and goods. As noted below, neither HAA nor its tour operators shall be liable for any airline cancellation penalty incurred by the purchase of a nonrefundable airline ticket or for any other expenses incurred by tour participants in preparing for the tour.

HAA highly recommends the purchase of trip insurance to cover unforeseen trip interruptions, cancellations, lost baggage, and emergency medical assistance and evacuation. Participants may purchase trip insurance through any provider. HAA will provide information from one provider, Redpoint Resolutions, upon confirmation, which will detail available options. If a participant purchases a trip insurance policy from Redpoint Resolutions within a 14-day window, then the pre-existing medical conditions exclusion will be waived, and the participant will be eligible to purchase the "Cancel for Any Reason" upgrade. The 14-day window begins on the first day the

participant's trip deposits become non-refundable. For participants who utilize a trip credit to book the trip, the 14-day window starts the first day the participant is subject to financial penalty for cancellation, including full or partial loss of the trip credit. An insurance policy, when issued, shall constitute a contract only between the participant and the insurance provider. HAA will not intervene in any transactional issues or claim disputes between the participant and the insurance provider.

Air Arrangements: International airfare is not included in the cost of the program. The tour operator can assist you with your air arrangements. Neither the Harvard Alumni Association nor the tour operator accepts the liability for any airline cancellation penalty incurred by the purchase of a non-refundable airline ticket. The air ticket when issued shall constitute the sole contract between the passenger and the airline concerned. Airfare is subject to change and availability and is nonrefundable. Your airline ticket constitutes a contract between you and the airline, even if purchased through Operator.

What to Expect/Physical Health: Due to the prevalence of SARS-CoV-2 (COVID-19), participants should anticipate rules and restrictions to be enforced at airports, on flights, and at country entry points, as well as protocols in place during the program to reduce the risk of COVID-19 transmission. Updates will be provided closer to departure.

All participants must be in overall good health to participate in a HAA trip. All programs require physical independence and mobility: participants must be able to embark or disembark all conveyances used on the program alone or with minimal assistance from a traveling companion and must be able to climb stairs and step over raised thresholds without assistance.

Participants requiring assistance **must** travel with a companion who will be responsible for handling any required equipment. Any physical or mental health condition that may require special medical attention or physical assistance must be disclosed in writing prior to booking so that HAA and the tour operator may evaluate whether participation is feasible. All participants should consult with their doctor about whether they can meet the physical requirements of their trip and must complete and return any medical forms required by the tour operator.

Participants with **dietary restrictions** also must make these known to the tour operator well before departure, otherwise the tour operator may not be able to accommodate them.

Preparing For The Tour: Participants will be provided with comprehensive pre-departure travel information, including specific suggestions for packing.

Terms & Conditions

Changes in Itinerary Program, Staffing & Costs:

The itinerary is subject to change at the discretion of HAA and the tour operator. HAA reserves the right to change program dates, staff (including study leader), itineraries, or accommodations as conditions warrant. HAA further reserves the right to cancel programs, levy a small group surcharge, send a program without a study leader and/or withdraw HAA sponsorship from a program. Please note that all participants are bound to the cancellation fee schedule and other terms and conditions of the program regardless of whether HAA takes any of these actions. Participants making deviations from the scheduled itinerary do so at their own expense. All prices quoted are based on prevailing fuel prices, airfares, and currency exchange rates in effect as of the date of this publication and are subject to change.

Failure to Operate the Tour or Cancellation of the Tour by the Tour Operator:

If the tour operator fails to operate the tour or cancels the tour, except as a direct result of adverse weather conditions, strikes, local laws, hostilities, wars, terrorist acts, significant health concerns (such as epidemics or pandemics requiring significant travel disruptions), or other such causes beyond HAA and the tour operator's reasonable control (Force Majeure Events), then the tour operator shall refund all monies received from tour participants. If the tour operator's failure to operate the tour or cancellation of the tour is a direct result of a Force Majeure Event, then the tour operator may provide tour participants a refund consisting, in whole or in part, of credit toward future travel. Tours also shall be cancelled if the U. S. State Department, another U.S. government agency, or a relevant local government agency issues a statement within sixty (60) days of tour departure to the effect that American citizens or others should not travel except for essential reasons to any of the destinations on the itinerary for that tour. In such case, the tour operator will provide an alternate tour with a revised or substitute itinerary and may provide tour participants who choose not to travel on the alternate itinerary a refund consisting, in whole or in part, of credit toward future travel.

Curtailement of the Tour by the Tour Operator:

If a tour is curtailed after it has begun, either as a direct result of a Force Majeure Event, or because the U. S. State Department, another U.S. government agency, or a relevant local government agency has issued a statement to the effect that American citizens or others should not travel except for essential reasons to the remaining destinations on the itinerary for that tour, then the tour operator will take immediate steps to end the tour early and assist tour participants with travel arrangements back to their homes or other final destinations. In such a case, the tour operator may provide tour participants a refund for the number of missed days on the original tour consisting, in whole or in part, of credit toward future travel. The calculation for any such refund shall take into account any non-recoverable prepayments, and any additional expenses incurred by the tour operator to wind up the tour early.

Responsibility: The tour operator, its owners, and employees act only as agents for the various independent suppliers and contractors providing transportation, hotel accommodations, restaurants, and other services connected with this tour. Such travel, accommodations, and services are subject to the terms and conditions under which they are offered or provided, and HAA and the tour operator, along with their respective employees, agents, representatives, and assigns, accept no liability therefor. Neither HAA nor the tour operator assumes liability for any injury, damage, loss, accident, delay, or other irregularity which may be caused by the defect of any aircraft or vehicle or the negligence or default of any company or person engaged in carrying out or performing any of the services involved. Nor will HAA and the tour operator accept responsibility for losses, injury, damages, or expenses of any kind due to Force Majeure Events, other than as provided above. All services and accommodations are subject to the laws of the country in which they are provided. HAA and the tour operator reserve the right to make changes in the published itinerary whenever, in their sole judgment, they deem it necessary for the comfort, convenience, or safety of the tour participants. HAA and the tour operator may, in their sole judgment, decline to accept or retain any person as a tour participant. Baggage and personal effects are always the sole responsibility of their owners. The price of the program is given in good faith based on current tariffs and rates and is subject to change. Any increases in tariffs, exchange rates, or fuel prices will be passed onto participants. As part of the consideration and right to participate in a tour, each participant must sign this document and may be asked to sign a separate liability waiver and release form by the tour operator.

Personal Information: HAA and the tour operator will not share participants' personal information with third parties or make it publicly available except as follows: participants' names, degree(s), home city, and email addresses may be included in the tour participant list that is distributed to tour staff and participants prior to departure; and relevant information about participants is shared with those contracted to provide tour services in the destination. Tour operators and their agents are prohibited from sharing or selling this information to other parties. Participants may opt out of sharing their email addresses with others on the tour participant list.

Appearing in Photos: Photos from Harvard trips may be posted on photo-sharing web sites or on social networking sites. Your likeness may appear in some photos or videos, posted either by HAA or by other travelers, and these materials may be circulated worldwide. Trip photos also may be selected to appear in future Harvard Alumni Travels promotions; in such cases, HAA will attempt to notify the traveler in advance, but no compensation is available for appearing in a trip photo used for promotional purposes.

Disclaimer: Every reasonable effort has been made to ensure the accuracy of the information presented in this document. HAA is not responsible for errors in or damages resulting from the use of the information contained herein. Information contained in this document is subject to change.

Assumption of Risk: Tour participants understand and agree that participation in the tour involves risks that include, without limitation, risks involved in travel; political, legal, medical, social, economic, and weather conditions; standards of design, safety, and maintenance of buildings, public places, and conveyances that may differ from those to which they are accustomed; and health and safety standards that may differ from those to which they are accustomed. Without limiting the foregoing, tour participants understand and agree that there are risks associated with the possibility of an epidemic or pandemic, the trajectory of which may be unpredictable, and that as a result of such an epidemic or pandemic, local and national governments may enact border, travel, and stay-at-home restrictions, and health care systems may become overwhelmed. Knowing the risks described herein, tour participants agree, on behalf of their family, heirs, and personal representative(s), to assume all risks and responsibilities surrounding their participation in the tour.

Release and Indemnification: By signing below (or by checking the respective box on the on-line registration form), I certify that I am age 18 or older and that I have carefully read and freely signed these Travel Terms and Conditions on my own behalf and on behalf of all members of my party. To the maximum extent permitted by law, I release, hold harmless and agree to indemnify Harvard, and its officers, governing board members, faculty, staff, representatives, employees and agents, from and against any present or future claims, losses, liabilities, costs and expenses for injury to person or property, or for any other damage, which I may suffer, or for which I may be liable to any other person, related to my participation in the tour resulting from any cause, including but not limited to negligence on my part or on the part of any of the released parties.

I understand and agree that no oral or written representations can or will alter the contents of this document.
