This program has been exclusively designed for Harvard alumni, family, and friends to explore the Galápagos Islands and learn about the island's natural history. This is a moderately active program. In the Galápagos, walks are approximately one to two miles

long (sometimes over uneven and rocky terrain) at a leisurely pace suitable for wildlife observation. There will be wet landings on many islands. Dinghy rides along the coast and shorter walks are available for participants as an alternative to longer and more challenging walks. There are opportunities for swimming, snorkeling and sea kayaking (snorkeling equipment, wet suits, and kayaks are available aboard the *Origin* at no charge). The Galápagos Islands are at sea level and temperatures range between the 70s and 90s F on the islands. Travel is by regular scheduled commercial airlines, motor coach, air-conditioned ship, and inflatable "Zodiac-style" dinghies.

Participants with medical issues and/or dietary restrictions must make them known to us well before departure, and impairments regarding mobility must be disclosed prior to booking. If you have any questions about the level of activity of this program or your ability to participate, please call Harvard Alumni Travels at 800-422-1636.

PREPARING FOR YOUR JOURNEY: You will be provided with comprehensive pre-departure travel information, including specific suggestions for packing, a recommended reading list and amenities pack.

Should you also purchase the Ripcord Rescue Travel Insurance plan offered to you at confirmation, it will provide you with benefits which are additional to those stated above.

*In the event of a cancellation by the Harvard study leader, we will attempt to notify all travelers as soon as possible.
